I am requesting for personal reasons that my child not participate in the following assessment that occur in the Las Cruces Public School district during the 2016-2017 school year.

- New Mexico Standards Based Assessment (SBA/HSGA) Science
- New Mexico Standards Based Assessment (SBA/HSGA) Spanish Reading
- Partnership for Assessment of Readiness for College and Career (PARCC)
- New Mexico Alternate Performance Assessment (NMAPA)
- Formative Assessments: Istation
- End of Course Exams (EoCs) if not used as the course final

I take full responsibility and understand that my decision not to allow my child to test may cause the following:

- Significantly limit the assessment information available to teachers and school administrators.
- Jeopardize the school's accountability rating because this rating is based in part on participation rates for testing.
- Jeopardize a teacher's evaluation rating because the assessment scores contribute to his/her evaluation.
- Parental refusal to allow a student to participate in the HSGA (PARCC/SBA) may keep him or her from receiving a NM Diploma of Excellence.
