

VERIZON INNOVATIVE LEARNING PROGRAM!

FOR MIDDLE SCHOOL BOYS

SUMMER CAMP

JULY 9-26, M-TH, 9:00AM- 4:00PM

NMSU MAIN CAMPUS

Interested in doing more with Technology, Coding, 3-D printing, Augmented Reality, and Virtual Reality?

Join the NMSU Verizon team and create new designs!

The Verizon IL Program is a free 3-week day camp that will host 100 middle school minority boys from the Las Cruces and Anthony, NM areas.

The camp includes lunch, materials, supplies, plus swag. The program will continue during the school year, with weekly meeting at local middle schools, and one Saturday session/month at NMSU.

Male applicants must be rising into 6th, 7th, or 8th grade, submit an online application, and able to be present every day.

Instructors are NMSU graduate students, undergraduate students, and local middle school teachers.

Apply today!
